1. Introduction:

Present economic and social sphere is visualizing dynamism in the legal environment. The changes are further manifested by the rapid globalization of present economic scenario. This has led to revolution in the legal scenario. This pace of economy and the social atmosphere has led an immense need of the advanced law programs where the Law students are imbibing knowledge coupled with necessary professional legal and other interpersonal skills.

The integrated Law degree must ensure to imbibe the following skills into future Lawyers:

- i. **Legal Know-how:** Gaining in-depth knowledge of Legal concepts and understanding of legal principles.
- ii. **Inter-personal/communication skills:** Pertains to improving public speaking abilities and other interpersonal skills.
- iii. **Time Management :** It deals with an art of planning and controlling your time to effectively accomplish your goals
- iv. **Team effort learning:** Learning new techniques to build a strong and successful team that works together towards achieving challenging goals.
- v. **Problem Solving and analytical Skills:** This deals with learning how to handle difficult situations by implementing strategies to manage employee performance problems.
- vi. **Strategic Planning & Management:** activities that are used to set priorities, focus energy and resources, strengthen operations, ensure that employees and other stakeholders are working toward common goals, establish agreement around intended outcomes/results, and assess and adjust the organization's direction in response to a changing environment.
- vii. **Advocacy skills/capabilities:** This deals with learning legal methods to motivate others for better advocacy skill and client counselling.

The industry /profession needs are continuously changing while the global environment of education around the world is witnessing huge changes.

2. **Academic System:** Academic System at Amity University is continuously striving for excellence in education. It is therefore, important to review and upgrade the curriculum of Programmes in line with the ever changing requirements of industry /profession based on stakeholders' feedbacks. Amity University Offers Outcome Based Education (OBE) with Flexi Choice Based Credit System (CBCS) by benchmarking its programmes with best universities globally. UGC has formulated Choice Based Credit System.

2.1 Choice Based Credit System & Flexi Timings

To maintain uniformity in all the programmes and at the same time offer more choice of

courses to students, **Model Framework** for Programme Structure for all UG and PG programme / degree has been defined which includes semester-wise credit distribution for various course types. The courses and credits offered by the institutions in the programme structure are as per the model framework.

Amity University offers the **Choice Based Credit System (CBCS)** in its academic curriculum, in its endeavor to provide quality education. Under this system, the students can register for courses according to their interests, academic abilities and career aspirations. Students decide their academic plan and alter it, if required, in their academic progression in pursuit of degree.

A **Master Academic Planning Worksheet (APW)** is available on AMIZONE for students as per the Programme Structure and Model Framework for their respective programme. Student is expected to earn the minimum number of credits for a course type/ semester as prescribed in the model framework of their programme.

A student is required to choose the courses from the offerings and make their own Academic Planning worksheet. However, a student can choose 15% extra credits from the Specialisation Electives, Open Electives, Domain Electives, Outdoor Activity Based Courses (OABC) and FBL Electives in addition to the minimum prescribed credit units to choose interdisciplinary courses from other institutions/domains.

Apart from core, allied and Non Teaching Credit Courses which are compulsory in nature, ample options are available in the Master Academic Planning Worksheet for a semester, which help the students to make their own basket of courses to develop additional skills in their area of interest.

Students are also allowed to add or drop registered courses to balance workload to optimize or maximize grade points, course substitution option, grade improvement, credit transfer for course migration as per the University Policy on Credit System, Academic Credit Hour and Time Tabling.

2.2 Flexi Timings

Flexi Time tabling help students to choose the courses they want to study and when to study from the slot-based timetable, coupled with on-line Course Registration, through Amizone, in each semester.

The Institutions/departments prepare, review and publish the weekly class time-table on AMIZONE prior to the start of each semester to ensure that all classes are scheduled for the minimum number of session(s) of 50 minutes each. The Students select and register for the course time slot. Students make their own time-table and each student in a class may have a different timetable of his / her own.

3. Faculty of Law

The **Faculty of Law** has been established with an objective to educate, equip and empower

the future lawyers with in-depth knowledge of law, strong communication skills, fostering values and problem solving attitude, creating social responsibility and competence to meet the requirements of the changing and challenging global world. Law education is facing a challenge in today's multinational environment where research and development needs to be taken up along with the regular teaching. The society is hugely affected by changing dimensions of social relations. The teaching of law needs to be taken up with the view to benchmark their curriculum with the best institutions in the world. With the accreditations from Bar Council of India and UGC, Amity University in its strive to continuously upgrade its curriculum, has reviewed its Law courses and has made it aligned with present accreditation bodies, global benchmarking industry and other stakeholder's feedbacks.

The **Faculty of Law** ensures to provide ample opportunities to its students' to excel in their careers and strives to fulfill its mission

“To provide knowledge and skills in the law domain and allied areas to cater to the needs for a sound conceptual base coupled with capacity to apply knowledge taught in a clinical manner ;to appraise it actual in an environment of adherence to Rule of Law and Global order.To serve the various communities at national and international level to build its own regime in legal fraternity; to develop overall personality of law aspirants by making them not only excellent professionals but also good citizen with understanding of human values,to fulfill diverse needs of legal profession and also to promote constitutional aspirations and a civilized global order.”

7. Approach to Curriculum Review & Development

As a major objective of Degree programmes in Law domain is to lay special emphasis on educating/preparing the student's wellfor being able to demonstrate the following abilities:

- (a) Effective application of law concepts in the legal world;
- (b) Working in teams;
- (c) Developing decision making skill
- (d) Effective communication skills and leadership/participation in team work;
- (e) Fulfillment of professional, social and ethical responsibilities;
- (f) Sensitivity to environmental issues and concerns;
- (j) Planning, development and implementation of strategies for life-long learning.

These requirements call for the following objectives to the Approach to Curriculum relating to programmes in Law Degree in the country:

- 1) **Preparation:** To prepare the students to excel in various educational programmes or to succeed in industry and legal profession through further education/training;
- 2) **Core Competence:** To provide the students with a solid foundation in legal concepts and constitutional principles;
- 3) **Breadth:** To train the students with a breadth of legal knowledge to comprehend, analyze and deal with real life situations;
- 4) **Professionalism:** To inculcate in the students professional/ethical attitude, effective team work skills, multidisciplinary approach and to relate Management issues to a broader context;
- 5) **Learning Environment:** To provide the students with academic environment

of excellence, leadership, ethical guidelines and life-long learning needed for a long/productive career.

The programme structure for each programme is developed carefully ensuring that the content and curriculum is current and appropriate to the programmes objectives and learning outcomes.

Content, Curriculum and Scheme of Examinations

Content, Curriculum and scheme of examinations are the most important components of academic excellence and their development and approval is a detailed exercise which involves screening at various levels.

Heads of Institutions/Departments constitute **Course Review Committee (CRC)**, **Area Advisory Board (AAB)** and **Programme Review Committee (PRC)** to develop/ review the curriculum and programme structure respectively.

The Course Review Committee (CRC) defines the course Objectives, course contents, and Students Learning Outcomes and assessment tools/components for each course. The recommendations of the CRC are put up to specific Area Advisory Board

Area Advisory Board is constituted to ensure that the course and syllabus are as per the needs of profession / industry at a specific level (UG/PG) and to benchmark as per the National/International curriculum.

The Programme Review Committee (PRC) defines the Programme Educational Objectives (PEOs), Programme Operational Goals, Programme Learning Outcome (PLO), Programme Structure (PS) and the Assessment plan for evaluating operational and educational outcomes, based on inputs from various stakeholders.

Recommendations of AAB and PRC are put up to the “Board of Studies” (BoS)

Board of Studies (BoS) reviews and recommends appropriate Programme structure, curricula & syllabi designed and developed by PRC and AAB.

The recommendations of BoS along with the final Programme structure (Programme Educational Objectives (PEOs), Programme Learning Outcomes (PLOs), and Outcome assessment plan), Course curriculum, and scheme of examinations for each course are further put up for the final approval of Academic Council.

After the approval of Academic council, the Programme Structure, Course curriculum, scheme of examinations and other relevant information is uploaded on Amizone for student access

8. Programme Model Framework:

All the programmes offered at Amity University are grouped. Programme in each group share the similar model framework. The model framework for each group describes the course wise credit distribution which is followed by each institution while making the programme structure of all the programmes offered by them.

The Model framework of Programme Group of the respective Masters programme of the domain for designing the programme structure is given as under:

Model Framework of One Year Full-Times Masters Programme in Law (LL.M.)

Courses	Sem-I	Sem-II
Core Courses (CC)	Min :9 Max:9	Min :0 Max:0
Specialization Electives Course	Min:4 Min :4	Min :8 Max:8
Non Teaching Credit Courses	Min:0 Max:0	Min:3 Max:5
Total Credit each semester	Credits: 13	Credits: 13

Minimum Credits Prescribed For Programmes : 26

10 Detailed Programme Structure:

The detailed programme structure with courses under various categories and types as per prescribed Credit Units are developed. The programme structure includes the courses which are compulsory in nature and specialisation electives are given with course title and credit units semester-wise as approved by Academic Council. Compulsory Courses includes Core Courses, Allied courses, Value Addition Courses, Mandatory Courses, NTCC courses. Further, Course Titles and Credit Units of the Specialisation Electives and NTCC elective courses are given. However, courses which are not compulsory to take in order to get a degree. These course may be taken by the students to meet the minimum requirement of Credit units for semester/programme for the award of the degree. These Electives Courses include Domain Electives (DE), Open Electives (OE), Outdoor Activities Based Courses (OABC), Skill Enhancement Courses (SKE), Study Abroad Programmes (SAP) Courses etc. These courses are offered by institutions of other domains or other institutions / campuses of the university and vary batch to batch. The detailed programme structure of all the programmes of the group(s) of the **LL.M programme** attached as **Appendix 'B'**

S.No	Programme Title	Appendix No
1	LL.M. International Trade And Economic Law	B1
2	LL.M. International Environmental Law	B2
3	LL.M. Corporate Banking & Insurance Law	B3
4	LL.M. Tax Law	B4
5	LL.M. Media & Entertainment Law	B5
6	LL.M. Medical & Health Law	B6

11 Programme Educational Objectives (PEOs)

Programme Educational Objectives (PEOs) lay the foundation for what students are expected to do, know or value as a result of the educational experience. Objectives are the critical link between gaps and outcomes. Objectives guide the choice of content, the educational format, pedagogy and methodologies, and the methods for assessment.

The various levels that an objective is written, beginning with the lowest level and advancing to the highest are as follows:

- Knowledge
- Comprehension
- Application
- Analysis
- Synthesis
- Evaluation

The Master's programme focus on the advance level from application to analysis, synthesis and evaluation

The Programme Educational Objectives (PEOs) are well defined and given in the programme structure of each programme, attached as **Appendix 'B'**

S.No	Programme Title	Appendix No
1	LL.M. International Trade And Economic Law	B1
2	LL.M. International Environmental Law	B2
3	LL.M. Corporate Banking & Insurance Law	B3
4	LL.M. Tax Law	B4
5	LL.M. Media & Entertainment Law	B5
6	LL.M. Medical & Health Law	B6

12 Intended Programme Learning Outcomes (PLO)

Intended Programme learning outcomes are statements that describe the desired learning that students should have acquired and should be able to demonstrate at the end of their

course of study. Through these statements, programmes identify what students should know and be able to do as a result of completing their degree programs.

Consequently, statements of intended learning outcomes clearly articulates the intended knowledge, skills, abilities, competencies, attitudes, and values that characterize the essential learning required of a graduate of a particular programme of study.

Each Learning outcome is measurable and includes appropriate action verb relating to the desired action or performance associated with the intended cognitive level. The programme learning outcome (PLOs) are well defined and given in the programme structure of each programme, attached as **Appendix ‘B’**

S.No	Programme Title	Appendix No
1	LL.M. International Trade And Economic Law	B1
2	LL.M. International Environmental Law	B2
3	LL.M. Corporate Banking & Insurance Law	B3
4	LL.M. Tax Law	B4
5	LL.M. Media & Entertainment Law	B5
6	LL.M. Medical & Health Law	B6

13 Course Delivery & Pedagogy

Course Delivery may use a combination of various modes of delivery such as Lectures, classroom discussions, case studies, internship, term papers, role plays, lecture practice and dissertations.

Students are provided with curriculum and session plan of all the courses that they have chosen in their Academic Planning Worksheet. A Master Session Plan covers the following:

1. Objectives of the course
2. Session-wise details of topics
3. Plan type (L-T-P) and reference material for each topic in the module
4. Pedagogy to be adopted
5. Prerequisites, if any
6. Required readings, additional readings and assignments
7. Student learning Outcomes for each module
8. Assessment component used to assess the SLO's for each module
9. Scheme of evaluation and weightage of each assessment component

Pedagogy

The approach to pedagogy combines fieldwork, case studies and instrumented feedback with a strong emphasis on concepts and theory. A continuous quality interface with industry through internships, industrial visits, participation in business competitions, group discussions, workshops, seminars, etc. is encouraged

To stimulate, motivate and foster learning culture, diversified modes of content delivery are adopted by the faculty, in order to help students in achieving learning goals and to attain desired learning outcomes.

The objectives of focusing on the implementation of innovative teaching methodologies in traditional classrooms are:

1. To make an effective combination of classroom activities and other instructional strategies ensuring that the students achieve the learning goals set by the teacher.
2. To develop flexibility in content delivery
3. To foster learning through several modes of information processing.
4. To develop student's understanding of application and implementation of classroom learning
5. To cater for the range of learning needs of students
6. To enhance students skills and competencies
7. To promote students participation and engagement
8. To shift focus from 'surface learning to 'deep learning'
9. To emphasize on more student centric interactive teaching methods
10. To improve teaching to match students needs and learning style
11. To involve students in higher level of thinking
12. To provide students an opportunity to bridge gap between academic theory and real world practices

Some of the Teaching Learning approaches adopted by the faculty are as follows:

#	Approaches	Description
1	Blended Learning	A mixed-mode of instruction strategy that creates an integrated approach for both teachers and students by the convergence of face-to-face classroom methods and <u>computer-mediated activities</u>
2	Case Based Learning	A teaching approach that refers to the analytical thinking and reflective judgment of learners by reading and discussing complex, real-life scenarios
3	Cooperative Learning	Students work in groups to complete tasks collectively toward academic goals
4	Field Based Learning	In field-based learning, students, guided by faculty, take up a professional role and work directly with organizations to solve real problems and offer feasible solutions
5	Inquiry/ Research Based	Students make observations, collect, analyze, and synthesize information, and draw conclusions to develop problem-solving skills which can be

	Learning	applied to situations that students will encounter in future
6	Lab Based Learning	Integrates theory with practice and blending other active learning strategies such as web or computer based learning
7	Problem Based learning	Students collaboratively work toward the resolution of complex and challenging problem
8	Community Service Learning	A technique of experiential learning that fosters a partnership between educational institutions and community organizations to facilitate a greater learning experience for students
9	Clinical legal mode of teaching	Use of brief web-based cases and legal issues raised by faculty before a class meeting. Students' responses are reviewed and commented and are used to develop classroom activities addressing learning gaps
10	Role Plays	A problem situation is briefly acted out so that the individual student can identify legal issue and can provide legal aid..

Students have an access to an unparalleled range of extra-curricular and co-curricular activities to develop various competencies & skills and develop an extra edge to face the challenges that the corporate world offers

14 Competency – Role Matrix

A competency-role matrix is developed for each programme which is a list of skills and behaviours that a management graduate needs to exhibit in order to perform well in their careers. The competencies are defined in consideration with the requirement of the industry and to ensure that the students are industry ready by the end of their programme of study.

This competency – role matrix helps students in understanding the different competencies required to observe various job roles. Some competencies are generic in nature and applicable to the full range of employers in the sector, and across the wide variety of roles appropriate to graduates. There are some specific competencies which are appropriate to the specific profession. The Competency – Role matrix is defined in the following format:

Job Role	Role 1	Role 2	Role 3	Role 4	Role 5
Competencies					
Competency 1					
Competency 2					
Competency 3					
Competency 4					
Competency 5					

15 Employability of Graduands

In order to develop an understanding of the job prospects available to our students in various sectors, an industry/sector-role matrix has been developed for each programme which defines the roles that student can observe in the relevant industries after completing their programme of study. It maps the prospective job roles with the industry / sectors where the students may be placed after completing their graduation.

The Employability of Graduands are well defined and given in the programme structure of each programme, attached as **Appendix 'B'**

S.No	Programme Title	Appendix No
1	LL.M. International Trade And Economic Law	B1
2	LL.M. International Environmental Law	B2
3	LL.M. Corporate Banking & Insurance Law	B3
4	LL.M. Tax Law	B4
5	LL.M. Media & Entertainment Law	B5
6	LL.M. Medical & Health Law	B6

16 Learning Resources

Amity University has appropriate information & learning resources to support educational objectives of all our management programmes. The University has very rich learning resources as:

- Central and Institutional Library
- Online Journals
- Computer Labs

Appropriate number of books needed for study and teaching as recommended by the course faculty and other experts are maintained in the library.

16.1 Amity Central Library

The students and Faculty members have an open access to library during the operating hours. University has more than 3,00,000 books and 700 journals

- Amity University Central Library's sprawling building has three floors of resources which has more than 2,00,000 books, 17,000 e-journals, CDs and many other useful reference materials for students to get knowledge and expertise in their respective fields.
- The 58000 sqft of knowledge is organized and managed by a dedicated team of Library professionals who are available to guide the students. There are cubicles and Research Rooms for PhD Scholars.

- A large number of computer terminals with Wi-Fi enabled internet facilities is available for students to access the online resources in the Library and search the catalogue of books in KOHA, an advanced Library Software System. They can be checked in the Amity Portal (library.amizone.net).
- Students can search for details of books by title, author, subject or keywords to get to the relevant resource for borrowing.
- The Circulation staff helps in issuing and returns of books and the latest new technological system helps them to self-check in and check out for easy circulation.

In addition to central library some departments have departmental libraries. Amity is also a member of the **British Council Library** and **American Library Centre**.

In addition to the libraries Amity University **has also subscribed to the following on-line journals. :**

a) UGC- Infonet Digital Library Consortium – about 3559 leading journals

Under this consortium Amity University has subscribed to a number of Online Journals that are available on Amizone (Intranet) from UGC – Infonet. Through this the Faculty and Students get access to world class online research articles, journals, research papers by the best Publishers, Universities, Research Institutes etc.

b) EBSCO- host offers a variety of proprietary of 2300 journals and full text and popular databases from leading information providers.

University is the Institutional Member of **DELNET**, a database that has been established with the prime objective of promoting resource sharing among the libraries through the development of a network of libraries.

c) Scopus is a bibliographic database containing abstracts and citations for academic journal article

d) E-LEARNING STUDIO (Accessing Knowledge Online): e-Learning Studios are for blended teaching-learning.

The libraries have subscriptions to on-line journals and databases in various areas of learning/subjects which are accessible through the intranet from all the terminals. There is a downloading facility for e-material.

The University has over 309 **stat-of-the-art labs** in various domains with high-end Research Equipments.

Students contributing to group medi-claim policy are provided medical treatment of up to Rs 25,000/- in the following hospitals - Kailash Hospital (Noida), Indraparstha Apollo Hospital (New Delhi), Noida Medicare Centre, Vinayak Hospital (Noida).

On falling sick, the hostellers are to inform the Warden who will arrange medical help. If a hosteller is advised hospital admission, necessary communication is sent to parents/local guardians, Programme Director and Director Finance. Amity University also offers a medical insurance plan to all students.

20.8 Career Counseling & Placement

Amity endeavors to nurture competitive and accomplished business leaders, entrepreneurs and professionals. The Corporate Resource Center (CRC) at Institutional level, is established to groom the students to take up the corporate responsibilities, soon after they pass out from the campus

The CRC provides holistic comprehensive career-planning services to students by providing expertise, resources, and support. The CRC empowers students to build bridges to successful future careers.

It aims to help students make a successful transition from their educational environment to employment or further educational pursuits. The programs and services are designed to increase the students' confidence and provide the necessary skills and information to succeed in pursuing a career.

20.9 Guidance and Counseling Cell - Students face difficulties like separation from their families, growing up and learning to function as independent adults, developing new and closer relationships, as well as defining and establishing themselves on a possible career. The counseling center is committed to provide a broad range of high quality, innovative and ethical services that address the psychological, educational, social and development needs of the students.

Students are advised to make full use of the ACGC whenever they wish to share thoughts regarding their emotional, personal & professional needs. All interactions with students are kept strictly confidential.

Appendix A

Definition and Descriptions

Thus, in framing a suitable curriculum for the *programme in Law domain*, the following definitions/descriptions must be followed. This is expected to help in maintaining uniformity of preparing the final programme structure, *Syllabi* and scheme of instructions for *Programmes* offered by various institutions.

- A. **Semester System:** Each *Master's programme in Law domain* to be ordinarily of 1 academic years with the year being divided into two Semesters, each for course work, followed by Continuous Assessment (*CA/IA*) in the Semester & End Semester Examination (*ESE*).
- B. **Annual Academic Calendar** - Amity University follows semester system for conduct of classes. Annual Academic calendar have odd Semester and even semester. Date of Commencement of each semester and last teaching day of semester is finalized well in advance in the detailed 'Annual Academic Calendar' for a programme in accordance with 'Block Academic Calendar' of the University.
- C. **Credit System:** A system enabling quantification of course work, with *one credit being assigned to each unit* after a student completes its teaching-learning process, and assessment (both *CA/IA* & *ESE*). Further, *Choice Based Credit System (CBCS)* to be helpful in customizing the course work for a student, through *Core & Electives (both professional and open electives)*.
- D. **Credit Courses:** All Courses registered by a student in a *Semester* to earn *credits*; In a widely accepted definition, students to earn *One Credit* by registering and passing:
 - a. One hour/week/Semester for *Theory/Lecture (L) Courses*; or *Tutorials (T)* and,
 - b. Two hours/week/Semester for *Laboratory/Practical(P) Courses*;
 - c. **NOTE:** Other student activities not demanding intellectual work or enabling proper assessment like, study tour, club Committee activities and guest lectures not to carry *Credits*;
 - d. **Credit Representation:** *Credit* values for different academic activities to be represented by following the well accepted practice, as per the example in Table 1:

Table 1: Credit Representation

Lectures (hrs/wk/Sem.)	Tutorials (hrs/wk/Sem.)	Practical Work (hrs/wk/Sem.)	Credits (L: T: P)	Total Credits
3	0	0	3:0:0	3
2	2	0	2:2:0	4
2	0	2	2:0:1	3
2	2	2	2:2:1	5
0	0	6	0:0:3	3

One Credit Unit will be equivalent to 10-12 hrs of Classroom Teaching (L-T) and 50-60 hrs of field work/industry work.

E. Course Load: Every student to register for a set of Courses in each Semester, with the total number of their Credits being limited by considering the permissible weekly Credit hours load: 30/Week. This is meant to enable the students to engage in home work assignments, self-learning outside the Class rooms/Laboratories, Extra/Co-Curricular activities and *add-on Courses*, if any, for their overall development. UGC guidelines prescribe:

- a. **The total periods provided for contact teaching shall not be less than 30 hours a week.**
- b. **The time provided for practical, fieldwork, Library, utilization of computer and such other facilities shall not be less than 10 hours a week**

F.Course Registration: Every student to formally re-register for programme and prescribed Courses (Credits) under **HoD/PL/PC** advice in each Semester for the Institution to maintain proper record; Helpful for monitoring the CA/IA, ESE performance in each case and to assist the students in self-paced learning by dropping/withdrawing from Course(s) and add new programmes to avail Course Flexibility for CBCS with prior approval of Course Advisory Committee (CAC)/HoI.

G. Course Evaluation: CA/IA and ESE to constitute the major evaluations prescribed for each Course, with only those students maintaining a minimum standard in CA/IA (to be fixed by the institution) being permitted to appear in SEE of the Course; CA/IA and ESE to carry 30% and 70% respectively, to enable each Course to be evaluated for 100 marks, irrespective of its Credits;

H.CA/IA: To be normally conducted by the Course faculty and include mid-term/weekly/ fortnightly class tests, home work, problem solving, group discussion, quiz, mini-project & seminar throughout the Semester, with weightage for the different components being fixed at the institutional level; Faculty also to discuss on CA/IA performance with students;

I.ESE: To be normally conducted at the institutional level as per the University Examination regulations and guidelines. For this purpose, *Syllabi* to be modularized and *ESE* questions to be set from each module, with choice if any, to be confined to module concerned only. The questions to be comprehensive emphasizing analysis, synthesis, design, problems & numerical quantities;

J.Grading: To be normally done using *Letter Grades* as qualitative measure of achievement in each *Course*, as described in student handbook and examination regulations, based on the marks(%) scored in (*CA/IA+ESE*) of the *Course* and conversion to *Grade* done by *Relative Grading*.

K. Grade Point(GP): Students to earn *GP* for a *Course* based on its *Letter Grade*; e.g., on a typical 10-point scale, *GP* to be: $A+=10, A=09, A=08, B+=07, B=06, B-=5, C+=04$ & $F=00$; Useful to assess students' achievement quantitatively & to compute *Credit Points(CrP)* = $GP \times Credits$ for the *Course*; Student passing a *Course* only when getting *C+ Grade*. Minimum passing marks in a course shall be 40%

L. Grade Point Average(GPA): Computation of *Semester GPA (SGPA)* to be done by dividing the sum of *CrP* of all *Courses* by the total number of *Cr* registered in a Semester, leading finally to *CGPA* for evaluating student's performance at the end of two or more *Semesters* cumulatively; This reform serving as a better performance index than total marks or %;

M. Passing Standards: Both *SGPA* & *CGPA* serving as useful performance measures in the *Semester System*; Student to be declared successful at the *Semester-end or Programme-end* only when getting $SGPA \geq 5$ and $CGPA \geq 6.00$ for *Master's Degree*.

N. Credits Required for Degree Award: Number of *Credits* to be earned by a student for the *Award* of degree fixed by Institutions and approved by Academic council to be normally in the range of:

- *Master's Degree programme in Law* - 24 Credit Units (CU) i.e. equivalent to 30+hrs /Sem.

O. Organization of Course Curriculum: The Content of each *Course* has been organized into:

1. **Course Description:** general introduction to the course
2. **Course Objectives:** to elucidate the basic aims of the course
3. **Pre-Requisite:** courses, Equivalent skills or prior experience that a student possesses that prior to registration in a specific course
4. **Student Learning Outcomes (SLOs):** focus on the intended abilities, knowledge, values, and attitudes of the student after completion of the program

5. **Course Syllabus** – having 5-6 modules having topics/descriptors under each module depending depth, width to be covered in order to achieve the course objectives and Student learning Outcomes.
6. **Teaching Learning Pedagogy:**an array of different teaching learning strategies best suitable for the delivery of particular course used in different combinations to improve learning outcomes.
7. **Assessment Plan** - The plan providing details of all methods of assessing student learning within the classroom environment, using course goals, objectives and content to gauge the extent of the learning that is taking place.
8. **Text Books & Reference Books** – list of books that matches the course contents
9. **Additional reading material** – list of journals, research papers or any other study material other than books which can be referred by student

P.Model Curriculum Framework / Programme Structure: The Model

Framework includes following:

1. Programme description: brief introduction of the programme
2. Programme Educational Objectives/goal: statements that describe the expected accomplishments and professional status of the students after completion of the program
3. Programme Learning Outcomes: describes the measurable knowledge, skills, abilities, or behaviors that students to be able to demonstrate by the time they complete their degree
4. Curriculum Programme Structure /Framework - defines the course type and credit structure semester wise and overall credits prescribed as per University norms
5. Outcome Assessment Plan: The plan providing details of all methods of assessing student learning outcome in the programme to gauge the extent of the learning that is taking place. (As per attached format)
6. Employability of Graduands: embedding set of attributes in the curriculum and imparting knowledge to develop desired skills & competencies and equip students to compete in the global marketplace
7. Resource Planning

Q.Outcome Based Education System - The Learning outcomes are clearly defined at the programme level and course level. The **Programme Learning Outcomes (PLOs)** describes the student learning, i.e. what students will know and be able to do as a result of completing the programme. The **Student Learning Outcomes (SLOs)** describes the learning of student after completing a course.
