

Amity University Uttar Pradesh (AUUP) has a sustainability committee namely the SATAT committee. The committee incorporate sustainability principles (in line with the University Grants Commission Mandate – SATAT) into campus operations and developments in order to promote sustainability. The committee is active since the year 2020 and has played crucial role in preparing action plan at the beginning of the academic year, disseminate it across the institutions and departments in the campus, monitor implementation and prepare action taken report at the end of the academic year
